So many exciting things have transpired over the past few weeks for us! Just in the month of October, we had 3 baptisms, a baby dedication and have welcomed more than a few visitors. What a God we serve! I am believing God and praying for a fruitful November and looking so forward to what the month holds.

Please continue praying with me and pressing into what God is doing at Crestview and hold on tight, because I believe God has some very special things in store for us as a church family!

I could not be more honored, humbled and excited to be entering this new season of my life and the life of our church as your pastor. My family has been attending Crestview for a little over three years now, and there is no question what drew us to making Crestview our church home... the love and sincerity of the people that make up the body that is Crestview Baptist Church. From the moment we entered the doors, we have felt that love and cherished becoming part of the family.

I have asked a few members of our church recently, "What is special about Crestview to you?" The answer is always the same, "It just feels like family." I could not agree more. The relationships that God has cultivated over the years at our church is absolutely beautiful, and Church, I believe we are about to see Him cultivate many, many more!

Please pray with me that He will send the harvest, that lost souls would be saved and the broken might be made whole in Jesus name among us here and within our community. And when He does, let's be sure to keep the family tradition going!

The first month of being your pastor has been an absolute blessing, and Lord willing, I look forward to sharing many more years of doing ministry in the wonderful body God has assembled at Crestview. I love you, Church, and am praying for God to do a mighty work in our midst. All the Glory to the One who gave it all for us!
