I am so excited to see the way God has moved in the first two months of 2023. We are being blessed, Church! We are seeing the prayers for revival and awakening answered in our country, our county and right here in our Family. We entered into this year with great expectation, but I don't think any of us would have believed God was going to show up in the big ways that He has. As we continue through this year, we will pray and press into this movement that we are so fortunate to be a part of.

February was a full month for us here at Crestview. We celebrated with WMU, we had 2 baptisms and were able to collect and send a gift for the Women's Enrichment Center here in Lancaster. There will be some wonderful opportunities to serve coming in this month, so please stay up to date on the happening here at Crestview!

As I look around when we gather, I am just overwhelmed to see the beauty of the Family God is building here in this Church. God is perfectly and plainly building His kingdom here in our midst, how privileged we are to be citizens of that kingdom! As God builds, be prepared to be used. I believe we are going to see God move us and use us in ways that we can't even imagine over the coming months. As we pray for Him to do this, get ready to put some feet on those prayers!

"Let us hold fast the confession of our hope without wavering, for He who promised is faithful. And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching." Hebrews 10:23-25. That means hold on tight! And remember, as we serve Him, we must not forget to seek Him. I am overwhelmed at the love that exists in this family, let's do our best to cultivate and grow in relationship with Him and each other.

I am so thankful for where I am and who I am with. I love you, Crestview.

Pastor Cody
