School is back in session! Summer break is in the rearview mirror and the fall holidays are in the windshield. It does not seem like it should be September already, but it surely is. We had a great summer here at Crestview, and I am trusting God that He will now lead us into a fruitful fall. Although the seasons change, our God remains the same yesterday, today and forever. Let that be an encouragement to you as we finish out 2023. It is amazing to see what God can do with a few months. God blessed us with a full summer, Church. We had Vacation Bible School, community mission projects, bowling trips and fellowship dinners, and what a joy each one was. We are so very blessed to have the opportunities to do the things that we do as a Church. It is my prayer and heart that as we continue, the Lord would give us even more opportunities to grow in relationship with each other and Him.

There has been an earnest and fervent seeking of the Lord that has been ignited in our Family here at Crestview. That is showing up in this Church's hunger for knowledge of the Lord, your willingness to serve the Lord, and most of all, your desire to seek Him in prayer. Jesus tells us in Matthew 7:7 "Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you." (NKJV), we have taken that promise and run with it! The participation in weekly prayer meetings has been outstanding, both in the walls of our church and in the community, and we have seen the fruit in the spiritual health of this Body. God has us now in a season of growth. A season of spiritual growth where He is maturing us as a single Body, and I agree with what Paul says in his letter to the Ephesians "This will continue until we all come to such unity in our faith and knowledge of God's Son that we will be mature in the Lord, measuring up to the full and complete standard of Christ." (Eph. 4:13, NLT). Mission requires maturity, and the Lord has given this Church a clear mission, so then, it is right of us to believe He will bring us to the level of maturity needed to carry it out.

There are so many things on the horizon for us, Family. God is now opening doors and making connections that will impact history, I believe that. I believe that God is going to use Crestview in ways that we cannot even imagine. As we look forward to hosting the associational prayer meeting in November, I firmly believe God is going to use our Family to lead His Church in this community. Not because we are good at "church" or any more special than any other church body in this community, but because "it is impossible to please God without faith. Anyone who wants to come to Him must believe that God exists and that He rewards those who sincerely seek Him." (Heb. 11:6, NLT). Continue to believe and seek, Crestview.

I praise God for what we have already seen Him do and wait with eager expectation for what our eyes haven't seen yet. We have a BIG God that is capable of BIG things, just watch and see!

I love where I am and who I am with. Thank you, Church, for being a huge part of God's blessing to my family.

Pastor Cody
